ANNUAL GENERAL MEETING JUNE 2021

BURSARY REPORT

By Karen Parker

A heartfelt THANK YOU to all our members who were able to make a donation to students attending Ontario Tech University this year. (How to make a donation can be found on our website.)

Two students at Ontario Tech University received our award this year. Last November the Board voted to make a one-time donation of \$1,000 to the Student Relief Fund at Ontario Tech University. In December we also supported two special research projects at Ontario Tech University with a \$1,000 donation to each. Both of these projects are focused on researching and examining ways to help improve elderly care/life in our community.

Four students from Durham College were recipients of our award this year and sent notes of gratitude. Two awards went to students enrolled in the **School of Justice & Emergency Services**. One award went to a student studying in the **School of Business, IT, & Management**. The fourth was awarded to a student in the **School of Health & Community Services**. A full financial report will be sent from Durham College during the summer.

In the near future, we will meet with our liaison at Durham College to discuss possible amendments to update our current agreement.
