

Press Release

2021 will be a banner year for the Oshawa-Whitby Kiwanis Music Festival as it is our **50th** anniversary. For the past 49 years, musicians in Durham Region and beyond have showcased their talent including over 400 entrants in last year's very successful, last minute on-line festival.

Sincere thanks to our scholarship donors, patrons and corporate sponsors:

Peacock Lumber, Long & McQuade, Ontario Power Generation and the Retired Teachers of Ontario - District 28; who supported us generously.

It should be noted that of the 50 plus planned festivals in Ontario last year 3 Kiwanis music festivals chose not to cancel, but scrambled to offer virtual options.

Based on the experience from last year, our Board is meeting regularly and look forward to rebooting our computers for an even bigger and better Virtual **50th** Anniversary Festival!

Stay tuned for more info@ www.oshawawhitbykifest.ca or visit us on Facebook!
